DETAILED ACTION

Allowable Subject Matter

Claims 1, 12, 13, and 20 are allowed.

The following is an examiner's statement of reasons for allowance:

In regards to independent claims 1 and 13, the prior art does not teach "responsive to one or more of the user selection of the favorite list key or the user selection of the favorite list feature of the on-screen menu, sorting and generating from the entries of the second table a favorite selection list, wherein sorting and generating the favorite selection list comprises sorting and generating up to N selections for the plurality of selections corresponding to those most frequently selected as determined from

(a) the recorded cumulative total time that each of the plurality of selections has been selected over the particular period of interest and

(b) only if the recorded cumulative total time of a corresponding selection during a sampling period within the period of interest exceeds a threshold, wherein the sampling period comprises a sampling period preset by a manufacturer of the media presentation device or set by an end user of the media presentation device, further where N is a predetermined number of selections to be included on the favorite selection list" in combination with all of the other claim limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
